

Reciprocal Golf Course Program

One huge benefit of being a golf member of The Schuylkill Country Club is our Reciprocal Golf Program. You have the opportunity to play at twenty-eight (28) other private Country Clubs within the area for just a cart fee. Our full golfing members have been able to enjoy playing golf at other courses without the added expenses and absolutely love the experience.

Dining privileges can also be enjoyed at these clubs, by golf or social members, with or without a day of golf.

For any questions concerning the Reciprocal Program or to set a tee time please contact the Pro Shop at 570.366.0733
