Wes's Words of Wisdom

More frequent than not the first thing to go wrong in a golfer's swing is the initial move away from the ball. The golfer tends to move the club head first which causes the takeaway to be low and to the inside. Try making a small move; weight shift into your right foot and have the grip and shaft move before the club head does. This will get you into a better spot in the backswing and set you up for a much better sequence coming down to hit the ball.

Gil Shuey has been on the grounds crew at Schuylkill for 18 years and enjoyed every minute of it. As of April, Gil will be retired for the second time! Not many people can say they retired twice in their lifetime but Gil can. He retired from Reneer Films-Gen Corp. in 1999 where he worked for 26 years before coming to the Schuylkill Country Club. Gil also served in the US Air Force, was a pipe layer for a gas company and a lumberjack.

When he showed up for his interview, he said it would only be for a few years and here it is 18 years later! Gil has been a big asset to the club with cutting his primary to helping with aerification. Gil was always ready to lend a hand to whatever project that was going on.

Gil will be missed by all on the crew because of his hard work and all the good stories he would tell. Thank you for all of your hard work throughout the years.

May began with cooler temperatures which were perfect growing conditions for the cool season grass. The grass is healthier than ever and is ready to take on the June heat.

We hope to see everyone out on the course and at the pool this summer! Remember while you are out on the course, please stay hydrated.

Schuylkill County Youth Soccer Association

3rd Annual Golf Tournament

Friday, August 4, 2017

Registration forms available in the Pro Shop

Schuylkill County Youth Soccer Association was founded in 1987. This year we celebrate 29 years of offering the children of Schuylkill County the chance to play organized soccer.

The purpose of the Schuylkill County Youth Soccer Association is to promote, foster and perpetuate the game of soccer. The SCYSA is comprised of eight different cities, towns and boroughs. Our organization allows nearly 1,300 children from the age of 7 through the age of 14 to have a chance to play organized soccer.

Our golf tournament is a fundraising opportunity for the Schuylkill County Youth Soccer Association to continue in our mission to expand and grow the game of soccer. Your participation in our tournament will allow us to continue our endeavors and grow our programs.
