## "Tee To Green Talk"

*The Schuylkill Country Club Grounds Crew would like to welcome back all current and new members for the 2016 season. After several weeks of cold and windy conditions, it is finally time to get back into the swing of things. In the upcoming weeks, you can look forward to seeing many familiar faces out on the course preparing for another spectacular golf season.*

*We have been hard at work throughout the winter with routine equipment maintenance and tree removal. It is our hope that 2016 will be an amazing year for the entire Schuylkill Country Club. We wish the best of luck to our membership in the New Year. See everyone out on the course.*

Dear SCC Member,

I hope everyone is enjoying what was a mild winter (that is, until about a week or two ago). Regardless of the current temperatures, I am excited for winter to end and the new season to begin. For the first time ever, the Club has limited hours in February. With opening weekend and Valentine's weekend behind us, February is off to a good start. We had a nice turnout from the membership on both nights of opening weekend. Again, I thank you for the continued support.

The golf course has spent the majority of the winter without snow cover, which certainly is different from the past few winters. Will Schneider and the winter crew have been working hard on clean-up projects and keeping up with all of the necessary equipment maintenance.

As we continue to drive membership here at the Club, please feel free to email me or Meghan Holobetz at [mholobetz@schuylkillcc.com](mailto:mholobetz@schuylkillcc.com) with any potential member leads. We are obtaining some great leads from our "Power of One" initiative; please keep them coming!

The Management Team here at the Club is looking forward to all that 2016 has to offer, so please come and see us early and often.

See you around the Club!

Sincerely yours,

Scott Murphy, Club Manager

*Let's eat, drink

## What's the BUZ?

In 2016, Schuylkill Country Club will be launching a new customer management system and POS system. The target date to go live is March 1st and we are anticipating a more efficient and proficient system. This system will improve the Schuylkill Country Club experience for our valued members.

The new system is called BUZ Software. We seek your patience and understanding in this transition period. March will be a month of learning and perfecting for the management and staff. The first billing cycle will begin March 31st. Please contact the office with any questions or concerns on your invoice, or email Laura at [businessoffice@schuylkillcc.com](mailto:businessoffice@schuylkillcc.com)
