# Wes's Words of Wisdom

Avoiding trouble off the tee is often a very difficult task for your average golfer. My advice to avoid this is to tee the ball up on the side of the tee with the trouble and aim away from it. This may sound simple, but it is often not thought about by the average player. Once you do this, picture where you want the ball to start and then make a confident, aggressive swing.

Aerification season is upon us! After the record amount of rainfall, many areas are in great need of aerification. We will first be punching the greens on Oct. 1st & 2nd. After that, we will be aerifying the approaches and fairways, as well as seeding the damaged areas. While we are working on a hole, it will be temporarily closed. This will allow my crew to work quicker and be more productive. Thank you in advance for your cooperation! Keep swinging this fall!

A wall of pictures of SCC past Ladies' Golf Chairmen is being assembled and we are in need of a few pictures. A group picture is also acceptable. *All pictures will be returned.* If you have any pictures of the following please hand in to Chris in the Club office or Dolores Delin.  
Mrs. Eugene Leininger & Jean Matthews
