Jim shot his 6th career hole in one on August 17th on hole #4 using a 4 hybrid. Owen McElvaney was witness.

Kathy Mextorf had an interesting shot... Her ball is still stuck at the top of the tree off of hole #15!

Wes's Words of Wisdom

Have a look at 3 of the best in the world who hit it long and straight. Notice the similarities??? All 3 have a flexed lead wrist in the early stages of the downswing. If you're having a tough time with weak fades or a lack of power hitting the golf ball, consider doing this.

Back left: Tim Kaylan, Will Schneider, Barry Shollenberger, Jack Messer, Adam Forster and John Caribico

In the blink of an eye another amazing summer has come and gone here at the Schuylkill Country Club. It was a summer filled with golfing, swimming, and lots of fun events. At this time we would like to recognize all the hard working and dedicated members of our grounds crew staff for 2019.

Young and old each day we strive to give our members the best possible playing conditions, always leaving you wanting to come back each time.

Even though our golf season is beginning to wind down, there is still a lot of work for the fall months ahead. Our second aeration is scheduled for the end of September, the leaves will begin to fall any day now, and we can't forget that our cool season turf will be thriving with the cooler temperatures on the way. Best of luck to all our golfers during the upcoming months and may the weather forever be in our favor this fall.
