9/20 – Blue Mtn. 2:00 p.m.

Wes's Words of Wisdom

There are many misconceptions in the golf swing shared by your weekly foursome that often do more harm than good. Advice such as: keep your head down or you took your eye off the ball are ones I am sure you have heard before. Unfortunately, both are terrible words of advice and will not help you improve in the slightest. Next time you are watching golf, watch the current top players in the world, Dustin Johnson or Henrik Stenson. Both let their head release/swivel after impact and produce great golf shots. Do this and you will be hitting better golf shots and also saving your back lots of aches and pains.

The summer trend has continued- rain, rain and more rain. We have been fortunate that we have not had much disease on our golf course; as the wet weather will breed turfgrass disease. The guys on the crew have done a great job in what has been a very challenging summer of weather.

September brings aeration on the 5th and 6th. Aeration is essential to keep the playing surfaces healthy and in good condition.

The course will be closed September 5th and 6th.

Schuylkill Country Club Member Appreciation Day
